

Fact Sheet 1- About Key Vehicle Solutions

Key Vehicle Solutions is an independent family business, formed by father and son Chris and Nick Venter. Both share a fascination for motor cars stretching back many years, in fact Chris started his motor trade career in the early 1960's with Nick joining the industry almost 25 years later.

After various positions with different companies, Chris and Nick felt that an opportunity existed for an independent service to guide customers through the numerous options for acquiring and funding vehicles - and to provide a truly impartial opinion of every model. So late in 1999 Key Vehicle Solutions was formed.

The business now specialises in the following areas:

- Business user Contract Hire
- Contract Purchase
- Sale & Leaseback
- Finance Lease
- Personal Leasing (Including Personal Contract Hire and PCP)
- Hire Purchase
- Cash Sales
- Used Vehicle Disposal

Customer Comment:

" it is refreshing to be able to pass our vehicle requirements over to you in the firm knowledge you will obtain the best deal possible on our behalf.... I would have no hesitation in recommending your services to clients and friends"

Chris & Nick's interest in cars goes a long way back!

A combination of competitive prices, friendly knowledgeable staff and free nationwide delivery (mainland only) has seen Key Vehicle Solutions win loyal customers throughout the country. Private individuals, small businesses and multinational PLCs all welcome the straightforward, no hassle service on offer.

The KVS offices are based in the peaceful surroundings of Cherry Burton, a small village located close to the East Yorkshire market town of Beverley, famous for its magnificent 13th Century Minster and busy Racecourse. Customers are always welcome to call in, enjoy a coffee and discuss their requirements in person. Alternatively, a member of the KVS team can make a home or office visit and with the aid of a laptop computer, provide information and competitive quotations without obligation.

Why deal with Key Vehicle Solutions?

The KVS philosophy is to deal with customers in a prompt, courteous manner and to provide a level of expertise rarely found in dealerships. Chris and Nick believe that this combined with genuine value for money will make customers want to deal with them again in the future - as in fact many already have. Their loyalty and recommendation to others bears witness to the fact that at Key Vehicle Solutions, 'customer care' is not just a phrase, but is a cornerstone of the business.

Key Vehicle Solutions is an accredited dealer with many of the country's top lease companies, including Network Vehicles Ltd and Lombard Vehicle Management Ltd. This firm base provides KVS with unlimited resources and the benefits of a truly huge buying power.

In addition, Key Vehicle Solutions are members of the Association of Vehicle Finance Brokers, are licensed credit brokers and are registered under the Data Protection Act.
